Mixing			
Mixer	>16 Kanäle	Digital mixer with sufficient number of channels & Aux-ways. Please provide an WLAN-Router near the stage – some of the musicians can/will make there Monitormix by App on ther Ipads.	
PA & Monitoring			
PA	The PA-System must be adequate according to the size of the location an the number of anticipated guests.		
Monitoring	7-Way-Monitorsystem		
Wedges	6x 15/2 (wie im Plan eingezeichnet)		
InEar	Vocals	Vocals like to use In-Ear. It ist possible to replace Monitors 1,2,3 & 4 with In-Ear systems. In this case please provide Senders, Beltpacks AND and In-Ear-Headphones	
	Keys	The Keyboarder uses his own – wired – In-Ear-System . He only needs an XLR-Cable with the Monitorsignal .	

IMPORTANT!

Dear technical supplier, please confirm the reception of this technical rider either by mail to technik@livinmusicfamily.de or by phone (+49) 162 7477358.

This helps avoiding misunderstandings in the run-up to the event. Thank you.
